# PERSONAL TRAINER

## Personal Trainer Insurance

As a personal trainer, you have an ethical duty to ensure that your clients are safe and secure during their workouts. But what happens if there's an accident? Or if someone tries to sue you for injuries sustained at one of your sessions?

The right insurance protects you from liability claims, damage, loss or theft of any sports equipment you own, plus loss of earnings in case you suffer personal injury resulting in you being unable to work.

Plus, most gyms and sports centres require proof of insurance before PTs can start working on the gym floor. With the best insurance to cover your needs, you're free to focus on what matters – helping your clients achieve their goals.
